PROFESSIONAL SUMMARY

Entry-level Data Analyst with hands-on experience in data handling, SQL databases, Excel analysis, and Power BI dashboards. Skilled in transforming raw data into meaningful insights to support data-driven decision making. Strong analytical thinking, problem-solving ability, and academic foundation in Computer Science.

EDUCATION

- Bachelor of Science in Computer Science | Percentage: 75.33%
  St Thomas College (Autonomous),Thrissur | 2022 - 2025

- Bio-Maths | Percentage: 98.6%
  SN HSS Irinjalakuda | 2019 - 2021

- Matriculation | Percentage: 90%
  CNN BHS Cherpu | 2018 - 2019

PROJECTS

Student Placement Analysis Dashboard | Power BI, Excel

Cleaned and transformed student placement data including department, gender, company, and salary to ensure accuracy and consistency.Built an interactive Power BI dashboard to analyze placement trends by department, gender (male/female), company-wise hiring, and salary distribution for data-driven insights.

Paws - Pet Data Management System | Python, Django, MySQL, HTML, JavaScript

Worked with structured pet care records including users, adoptions, donations, and medicine data stored in a relational database.Ensured data accuracy and consistency while supporting basic analysis and reporting needs.Implemented core application features such as user profiles, adoption workflows, and medicine management within the system.

EXPERIENCE

Office Administration & Technical Assistant Intern

Centre for Career Development (CCD), St. Thomas College, Thrissur | September 2025 - Present

Supported daily office operations through administrative coordination, record maintenance, and event assistance.Assisted in maintaining digital records and internal systems, including basic technical troubleshooting.Contributed to preparing internal documentation and supporting communication workflows

Software Development Intern

Prodigy InfoTech | May 2024 – June 2024

Gained hands-on experience in software development processes including design, coding, and testing.Assisted in implementing application logic and debugging code during development tasks.Developed foundational understanding of software development life cycle and best practices

CERTIFICATIONS

- Data Modelling in Power BI – Simplilearn (2025)
- Foundations: Data, Data, Everywhere – Google (2025)
- SQL and Relational Databases 101 - IBM (2024)
- Introduction to Software Engineering – IBM (2024)

SKILLS

- **TECHNICAL SKILLS**

- Python,
- SQL & Relational Databases (MySQL, PostgreSQL)
- Power BI
- Excel
- HTML, CSS, JavaScript
- Flask, Django (Basic)

- **TOOLS & PLATFORMS**
- Git & GitHub
- VS Code
- Figma
- Postman

- **SOFT SKILLS**
- Problem Solving
- Attention to Detail
- Adaptability
- Excellent Communication
- Team Collaboration
- Time Management

- **LANGUAGES**
- English
- Malayalam
- Tamil
- Hindi

ACTIVITIES

- Coordinator – SRISHTI Techno-Cultural Fest, Department of Computer Science
  Assisted in event coordination, student communication, and execution of technical and cultural activities.
- School Cricket Team Member – SN HSS Irinjalakuda
  Represented the school team, demonstrating teamwork, discipline, and commitment.
